PROGRAM AND
REGISTRATION

Welcome to Kitzbühel!
Dear Rotarian golfer family from
near and far!

The Rotary Club Kitzbühel as organiser is delighted to welcome Rotarian golfers and their companions to the 48th Open International Rotary Golf Championship 2025! With the two top golf courses Kitzbühel-Schwarzsee and Kitzbühel-Eichenheim, we have 2 different, well-maintained and beautifully landscaped venues awaiting us, just a few minutes away from each other. Our 'House of Friendship' Hotel Grand Tirolia is one of the top venues in Kitzbühel and is located as a golf resort directly on the Eichenheim golf course. A varied culinary framework will accompany the sporting Rotary celebration in the spirit of cultivating friendship.

With the Rotary Golf AC in Kitzbühel, 'Rogo Austria' is writing another success story. We have a highly motivated OK team with Hilde and Heinz Sohler, Uli Dorner and Thomas Gredler, Peter Höbarth and Walter Endstraßer as well as the co-operation with the Rotaract Club Kitzbühel that will do their best to ensure that all expectations are met at the the Austrian Championship. Thank you very much for your commitment!

The Rotary Golf Fellowship Austria has a long tradition and is one of the most active fellowships in Austria, with outstanding tournaments, events and initiatives. I would like to thank the Board and the members for their great commitment over many decades!

We are looking forward to a Rotarian celebration in Kitzbühel, new friendships and impressions, a sporting competition in glorious weather and many cosy hours with the Rotarian golfing family. Have a great game!

Mag. (FH) Thomas Gredler
on behalf of the OC team of the organiser Rotary Club Kitzbühel,
President Rotary Golf Austria Fellowship

GREETINGS

Dear Rotary members, dear golf friends!

It gives me great pleasure to welcome you to the Austrian Golf Championships organised by the Rotary Club Kitzbühel. Kitzbühel, with its unique combination of tradition, nature and hospitality, provides the perfect backdrop for this high profile event. Our golf courses, surrounded by the local mountains, are not only sports grounds, but also places of encounter and exchange.

As a town, we are particularly pleased to host such an event, which not only celebrates the sport of golf, but also embodies the values of fairness, camaraderie and social responsibility. The Rotary Club of Kitzbühel has been actively involved in community and charitable projects for many years and it is an honour for us to jointly support this event, which also demonstrates a willingness to help on several levels.

I wish all participants every success, exciting competitions and unforgettable moments. May all guests have an unforgettable stay in Kitzbühel.

With sporting greetings,
Dr Klaus Winkler
Mayor of the town Kitzbühel

Ladies and gentlemen, dear Rotarian friends!

It is an extraordinary honour and pleasure for us to welcome the 'Rotary Golf Austria' Championships to Kitzbühel.

Especially because I dare say that there are valuable overlaps between Rotary work and work in tourism. Tourism and the voluntary work of countless Rotarians get people moving, they create community and build networks. These are things that we need in today's world because they create solutions for the future.

Both service to others, to which both the Rotarian community and tourism are committed, are more than systemically relevant and all the more important in today's world, in which we have to negotiate the changes of the future together.

As a Rotarian member, I am therefore twice as pleased about this event and hope that you will enjoy your time in Kitzbühel. By the way, did you know that with four golf courses in town and twelve more in the immediate surroundings, we have the highest density of golfing opportunities in Austria?

We wish all participants successful, sporty, inspiring and at the same time relaxing days with us in Kitzbühel and wish everyone a 'beautiful game'.

Yours sincerely,
Dr Viktoria Veider-Walser
Managing Director Kitzbühel Tourism
Member of the Rotary Club Kitzbühel
